

# Labels & Boxtops for Education

Collecting Campbell's Labels and General Mills Boxtops is a fun, easy, no-cost way to help support our homeschool group! Keep on clipping those UPCs and boxtops all year round. Ask your friends, relatives, and neighbors to save theirs for us, too. Thank you!

**Campbell's Labels for Education™** ~ Now you can cut and save UPC codes and lids - no more labels! Schools, homeschool organizations, libraries, religious academies, child care providers, etc. can get free stuff such as library and reference materials, videos, software, art supplies, science kits, microscopes, classroom accessories, sports equipment, computers and musical instruments. To view all participating products see: [www.labelsforeducation.com](http://www.labelsforeducation.com).

**General Mills Boxtops for Education™** ~ Helps earn cash for our homeschool group! Simply clip Box Tops coupons from hundreds of General Mills products, and they will pay 10¢ for each Box Tops coupon redeemed. We can use this money to pay for supplies and activities. See eligible products at: [www.boxtops4education.com](http://www.boxtops4education.com).

**Community Bonus Offer** ~ We can earn up to 2,000 bonus points by participating in community service projects (500 points per project), regardless of the number of students involved. For example: partner with a local non-profit agency, volunteer in a neighborhood effort, or complete an educational program that encourages learning, caring, and sharing. Submit project details and photos to [dhch@dhch.org](mailto:dhch@dhch.org).

Boxtops postmark deadlines to General Mills are October 31 and February 28 (for receiving checks in December and March). Campbell's labels can be redeemed any time throughout the year. Deadline for submitting community service participation forms is June 1. Please place UPCs/boxtops in the can on our homeschool bookshelf at the BCC Library, bring to any of our meetings, or send in the mail to: Teri Olsen, 807 E. Wild Field Dr., New River AZ 85087.
